If you smile at me I will understand cuz that is something everybody everybody does in the same language.

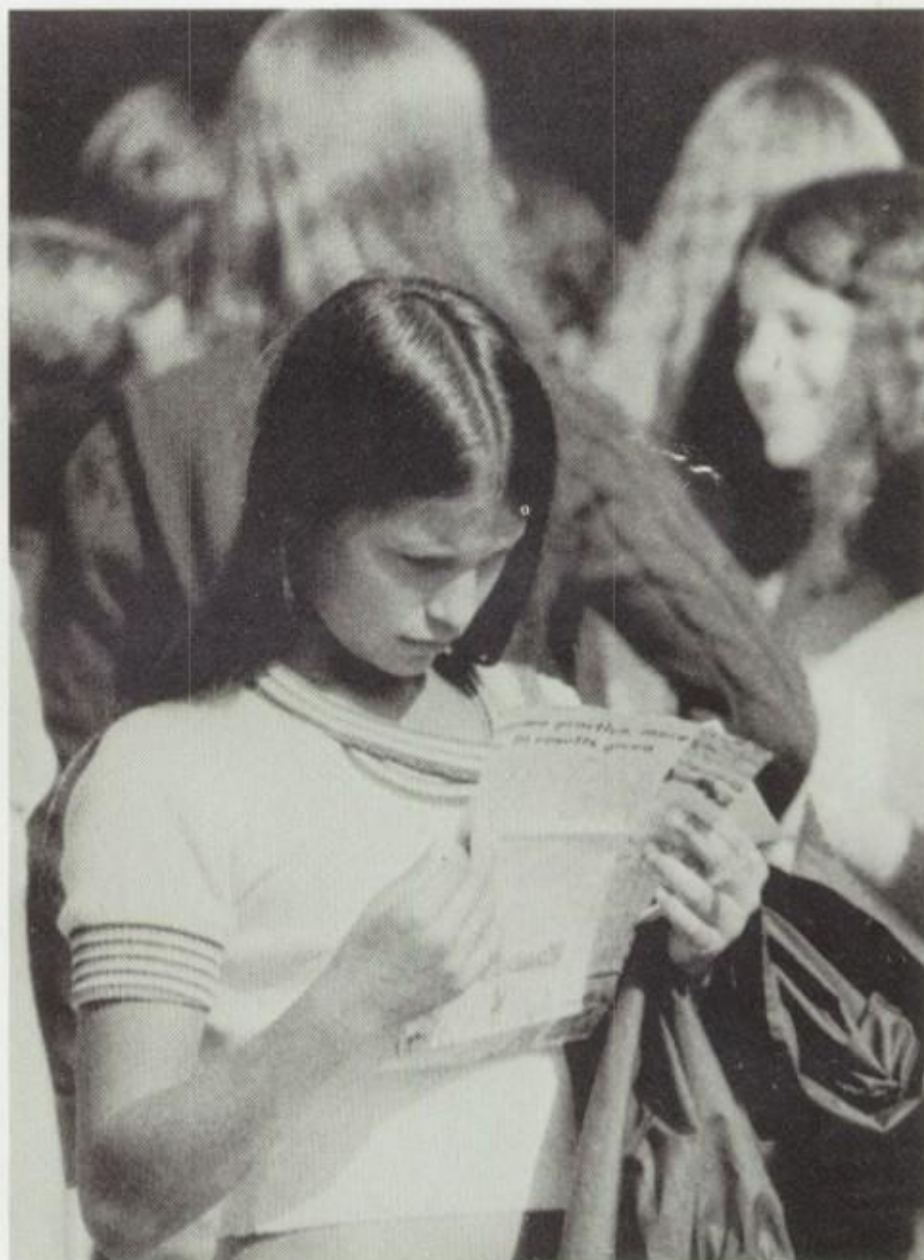

Tell me why is it hard to make arrangements with yourself, when you're old enough to repay but young enough to sell.

But if you want to leave take good care, hope you make a lot of nice friends out there, but just remember there's a lot of bad out there and beware, beware.

I've been running a long time on this traveling ground,
wishing hard to be free of going round and round. Yes I've
been moving a long time But only up and down.

You say you want to seek the truth, but it's hard to find. No
one to help you, your friends don't have the time.

The May 25, 1974 reunion was a huge success, attended by over 500 alumni. The oldest graduate was Alice Rubke Picetti, Class of 1908. Honored class was 1924--that's 50 years--with an attendance of seven out of twelve living from a graduating class of nineteen. We had graduates from practically every year, including one from the Class of 1973, Carol Canevari. The highlight of the evening was the surprise presentation by Eileen Avelar Brown, Class of 1944, in behalf of the association, of an engraved pocket watch to Peter Kiser on his compulsory retirement. Pete has over 30 years of dedicated services to the association and 48 years of school bus driving. Graduates, or anyone else who has attended Sonoma High, are welcome to the reunions, which are held every two years. This includes teachers. Next reunion will be in May, 1976.
